Dear Dr. Nielson:

Here are the draft minutes from the Technical Review Committee meeting of June 8, 1994. The next meeting of the Technical Review Committee is not yet scheduled, but we hope to have a draft of the report available for your review at least three weeks before the next meeting. I intend to extend the charter of the TRC through the end of the review process. I thank you for your continued efforts on our behalf.

Sincerely,

Deane H. Zeller
District Manager
